

Dear Baktracks,

I wanted to contact you and thank you myself for the fabulous evening you gave us at our Annual Boating Rally. When I informed the Committee that I had engaged a Band for our entertainment on the Saturday night, there was a little concern that the evening might not suit everyone. As you now know there are quite a wide range of age groups in the Association, and it was feared that a Band might be too noisy and too raucous for their usual Saturday. You handled it brilliantly, there was a fine mix of music, which had everyone engaged and having fun. I was impressed by your professionalism and your skills. I enjoyed the costume changes and the way you involved us in the evening. I am very satisfied indeed with the performance you five gave, and I have no reservations about recommending your Band for any function, and if I have my way in 2011 we will have you back again. Well Done! and thank you once again.

Colin D. Latham
Events Officer
The Boating Association

Dear BakTracks

Thank you so much for such a great "set" on Friday evening, you really did make the do start and end with a bang!

The band on stage made the room feel complete and lots of people commented how great you looked and sounded.

Thank you for all the time and thought that went into the song choices (they really were a hit!) and also the special price you gave us.

In the words of a fellow guest "the band was a touch of sheer genius!".

With love and best wishes:

St. Anne's School staff

Hi Mick,

Sorry that I ended up having to leave before you had finished yesterday.

Today my phone, e mail and facebook have all been busy with unanimous positive comments about the ball and many people have commented on how good Baktracks were.

Please pass my thanks on to everyone in the band for their contribution to a great evening. It was the first time that we have run such an event so we are very pleased indeed with the way that everything went.

Best Wishes,
Byron Chatburn
Leicestershire Scouts

Farndon Boat Club September 2011

Dear Baktraks

Many of us having seen you earlier in the year when we attended the Boating Association Rally in Nottingham wanted you to entertain us again at our Annual Boat Club Rally here in Farndon. This is the highlight of our Boat Club Calendar year and you did not disappoint.

After a day of boating competitions on the river we ended the day in the marquee and you got us all on our feet dancing to our old favourites. There was a great mix of music, something for everyone and a great time was had by all, so many thanks to the Band for a great evening's entertainment.

Sallie
Secretary Farndon Boat Club
